Whole Again

Words & Music by Stuart Kershaw, Andy McCluskey, Bill Padley & Jeremy Godfrey

1. If you see me walking down the street, staring at the sky,

and dragging my two feet, you just pass me by, it still makes me
cry, but you can make me whole again.

2. If you see me with another man laughing and joking,
   doing what I can, I won't put you down 'cause I want you around,
   and you can make me whole again.
Lookin' back on when we first met,
I cannot escape and I cannot forget.
Baby you're the one, you still turn me on,
you can make me whole again.

For now I'll have to wait,
but baby if you change your
mind, don't be too late 'cause I just can't go on, it's al-rea-dy been too

long, but you could make me whole a-gain. Ooh, ooh, ooh, ah, ooh, ah

Look - in' back on when we first met, I can-not es -

-cape and I can-not for-get. Baby you're the
Verse 2:
Time is laying heavy on my heart
Seems I’ve got too much of it since we’ve been apart
My friends make me smile, if only for a while
You can make me whole again.

1. Maybe you think you're not right for me
   (Verse 2: see block lyric)

   you'll never be every thing I need.

   Well, I'll tell you straight from my heart,
If you told me now you've got the pedigree,
that you're not someone who can talk to me.
Well, I'll tell you straight from my heart,
you are, you are.

You are, you are my reason.
You are the air.
I'd say that you're in my heart. You're in my heart.

You are, you are my reason. You are the air.

I'm breathing. Ask who's in my heart, you are you are.

Maybe you think you're not right for me, that you'll never be everything...
Verse 1:
I need. Well I'll tell you straight from my heart. (You are, you are.) If you
told me now you've got the pedigree, that you're not someone who can talk
to me. Well I'll tell you straight from my heart, you are, you are.

Verse 2:
If ever I wanted to run away
I'd go only if you would come with me
'Cause no one can talk to my heart
Like you are, you are.

If I did for you what you do for me
And I'm on your mind every time you sleep
Say the words and no matter how far
I'll be where you are.

You are, you are etc.

Well now you've got to where you wanted
Like I knew you would
Cash, car, house, it's all good.
It's the why you never came around here no more
Like you did before
Got it all, that's the way it seems
Looks like you live your dream
And I hope your love it turns out for the better now

1. Ain't no head-lights on the road tonight, everybody here is sleeping tight...

Ain't no-body gonna find us here, we'll disappear...

There's a dancer in the arms of love, and he's dancing on the sky above.

And the truth is that we'll never know, where love will flow.

Aim high, shoot low. (You gotta aim high and shoot low baby.)

Ain't no head-lights on the road tonight, ain't nobody here to make it right.
'cause we couldn't seem to find a way for love to stay...

If you had another night to give I would have another night to live...

But you're never gonna see me cry the last goodbye.

N.C.

(Last goodbye.)
If I could do it over, I'd do it all again.

And if I got one more chance I wouldn't change a thing.

Aim high, shoot low. Aim high, shoot low.

Ain't no headlights on the road tonight, ain't nobody here to make it right.
Verse 2:
Is it cloudy where you are tonight?
Are the neon lights shining bright?
Are you looking for a place to stay to get away?
And the days are horses down the hill
Running fast with no time to kill
And the truth is that we’ll never know where love will flow
Aim high, shoot low
(You gotta aim high and shoot low baby).

Ain’t no headlights on the road tonight etc.
(Whisper) Never give up.  Never give up.

The tide is high but I'm holding on; I'm gonna be your number one.

I'm not the kind of girl who gives up just like that, oh no woh.

not the things you do that tease and hurt me bad, but it's the way you do the things you do to me. I'm not the kind of girl who gives up just like that, oh no woh. 3. The tide is high but I'm holding on; I'm gonna be your number one. The tide is high but I'm holding on;
I'm gonna be your number one. Number one. My number one.

(Whisper) Number one.

Every time that I get the feeling, you give me something to believe in.

Every time that I got you near me, I know the way that I want it to be.
But you know I’m gonna take my chance now, I’m gonna make it happen somehow.

And you know I can take the pressure; a moment’s pain for a lifetime’s pleasure...

Every girl wants you to be her man,

but I’ll wait right here till it’s my turn. I’m not the kind of girl...
Verse 4:
Every girl wants you to be her man
But I’ll wait right here till it’s my turn
I’m not the kind of girl who gives up just like that
Oh no.
